SUMMER UPDATES
& AUGUST REVIEW

SUMMER UPDATES

When you walked into the front doors of OLP on the first day, you may have spotted some new things! The main hallway was painted, making it brighter and more cheery. Several glass cases were added to the main hallway to house student artwork and other announcements. Additionally, a beautiful, fenced-in, outdoor play-space was constructed for our early education students, with toys and equipment on the way! And last but not least, the middle school received all brand new laptops!

AUGUST STUDENTS OF THE MONTH

CONGRATULATIONS!

JESSIAH TURNER, 4K

IVEY SHERLOCK, 2ND

HADY AGUIRRE, 8TH

Notes on Afternoon Pick-Up:

- Please do not arrive or park in the large parking lot prior to 2:30PM as it is used for PE and recess.
- Cars should be orderly and straight forming seven rows, on the right, and 4 on the left.
- Please do not curve around the back side of the lot in an attempt to jump ahead of other rows, this blocks the line of sight for those making sure students get in their cars safely.
- Anyone arriving after 3PM must park in the spots available adjacent to the lot or in the church parking lot. For your child's safety, you must wait until all cars from the large lot have been dismissed before picking up your students.
